

Are you a breast cancer survivor?

We want to hear about your experience.

If you have been diagnosed with breast cancer, are at least 18 years old, and currently live in Alaska you are invited to complete a survey.

We are interested in understanding YOUR needs and experiences as a breast cancer survivor to help develop services that better meet the needs of all survivors in Alaska.

It's easy to participate!

1. On the Internet

Complete a confidential survey at:

<http://bhrs.uaa.alaska.edu/>

2. Through the mail

If you do not have internet access, please call Behavioral Health Research and Services (BHRS) at (907) 561-2880. A copy of the survey along with a pre-paid return envelope will be mailed to you.

Questions: For questions regarding the survey, please contact BHRS at (907) 561-2880 or email breastcancersurvey@uaa.alaska.edu
